

## 1. Identification of the article and of the company.

Identification of the article:	LunaPur M
Use of the article:	elastomer
Company:	nora systems GmbH * Höhnerweg 2-4 * D-69469 Weinheim
Telephone:	+496201/80-5498
Telefax:	+496201/88-5498
Information department:	Business Area Shoe Components
e-mail:	<a href="mailto:nora-msds@nora.com">nora-msds@nora.com</a>
Emergency Phone:	+496201/80-3000

## 2. Hazards identification;

Not classified as dangerous

## 3. Composition/information on ingredients

Chemical characterization (article):  
EVA-copolymer

## 4. First-aid measures

After inhalation:	not applicable
After skin contact:	not applicable
After eye contact:	not applicable
After ingestion:	not applicable

## 5. Fire-fighting measures

Suitable extinguishing media:	water, foam, carbon dioxide or extinguishing powder
Extinguishing media which must not be used by safety reasons:	---
Special exposure hazards arising from the preparation itself, combustion products, resulting gases.	oxides from C, H, N and S
Special protective equipment for fire fighters:	In the event of fire, use a respirator which is independent of the ambient air.

## 6. Accidental release measures

Personal precautions:	not applicable
Environmental precautions, methods for cleaning/mopping up:	not applicable

## 7. Handling and storage

Protection against fire and explosion:	No special measures required.
Storage:	Recommended temperature of storage: 20 °C.

## 8. Exposure controls/personal protection

Components with exposure limits at the workplace:	none
Personal protective equipment:	
Respiratory protection:	If dust occurs while grinding the material use personal protective equipment (dust mask). Read carefully manufacturers instructions for the adhesive in use.
Hand protection:	Follow the instructions of the adhesive manufacturer
Eye protection:	Follow the instructions of the adhesive manufacturer
General safety and hygiene measures:	Do not eat, drink or smoke while processing. Wash your hands with water and soap before breaks and at the end of work.

## 9. Physical and chemical properties

Form:	sheets,
Colour:	transparent
Odour:	slight
Melting point (°C):	not applicable
Flash point (°C):	not applicable
Vapour pressure (mbar):	not applicable
Solubility in water:	not soluble

## 10. Stability and reactivity

Conditions to avoid, materials to avoid:	---
Dangerous decomposition products:	No dangerous decomposition products if handled and stored properly.

## 11. Toxicological information

Dangerous-to-health effects are not known.

## 12. Ecological information

Particulars on elimination:	According to desired stability, the product is not biodegradable.
Further ecological information:	not known

## 13. Disposal considerations

Product:	The product can be handled together with domestic waste. Incineration in suitable plants is a favoured way of disposal.
Waste code number:	To be determined by the user.
Packaging:	Recycling of the PE-film and cardboard.

## 14. Transport information

Overland transport, inland waterway transport, sea transport, air transport:  
No dangerous cargo.

## 15. Regulatory information

### Labelling according to Gefahrstoffverordnung

Symbol:	none
Risk phrases:	none
Safety phrases	none

Water Hazard Class (WGK): Not hazardous

## 16. Other information

none
